'08 GNCC BAD A\$\$ Charlie Welch Is Kickin' Butt In '09

Charlie Welch, Jr from Franklin, Indiana is off to a great start in the 09 GNCC series with 2 wins after the first 2 rounds. Charlie is not only winning his 70 CVT class but he is also kickin' butt in the overalls.

In Florida he finished 7th overall which was the highest ever by a 70 quad.

The 70 class starts last in the 6th line of the youth race. Charlie said "I knew I was passing a lot of 90's and my overall was going to be pretty good...but I was shocked when I found out that I was 7th."

Charlie continued his hot streak with a 10th place overall in Georgia. Charlie said, "I've had a good quad and a lot of luck after the first 2 rounds and hopefully it will carry over to round 3 in North Carolina."

"I would like to thank Midwestmoto, GT THunder, DRR, Snyder Motorsports, Lucas Oil, Race Day Pix and my family and friends for all their support."
