

Cole Fite Hauls In 4 Championships

WORCS Round 8 / Taft, CA / Oct. 24-26

Article by Mark Williams / Photos by Paparazzi-Films

The 2008 WORCS youth season ended with full weekend of racing, followed by a one of a kind awards banquet that is like none other on the National Circuit. Due to the Banquet on Sunday night, the race schedule was condensed down to mainly Saturday.

This posed a little problem for a young rider by the name of Cole Fite, from Bellingham, WA. Fite runs an unheard of 4 separate classes during a normal WORCS event, so he was forced to do them all in one day. This meant a morning 30 minute race, then a short break before a 40 minute race, another short break, and another 40 minute race, followed back to back with a 50 minute race!

Fite despite being on his machines for practically the entire day, managed 3 first place finishes, and a second. A truly amazing day for this young rider. Fite accomplished another amazing feat, by clinching 4 separate National Championships in one year, a record in the WORCS series, and possibly all the major National Series.

There were some other multiple class National Champions as well in 2008. Austin Bennett claimed both the 90cc mod, and the 90cc cvt open classes aboard his DRR / Bennetts Desert Racing Machine. While Buddy Williams, Hetrick/DRR team rider claimed both the 70cc mod and 70cc open cvt National Titles.

Tyler Beckman nearly claimed two titles himself, by winning the 90cc cvt stock class, and finishing runner up in the 90cc sport class aboard his Ape X machine. Missy Taylor #222 once again proved she is number 1 in the 50cc classes, by winning the 50cc National Championship two years in a row, and winning all but two races on the year.

It was a great year for all the young WORCS racers. Great sportsmanship was seen this year like never before, the racing was fast, fair, safe, and most importantly fun was had by all.

See you in 2009!
